

A VISION PLAN WITH A PERSONALIZED TWIST

You and your eyes are unique, so your vision coverage should be too. With VSP® EasyOptions, it's easy and affordable to personalize your benefits.

Personalized Coverage for All

Everyone on your plan gets the comprehensive vision coverage you expect, like eye exams, glasses, and savings on lens upgrades. Plus, with VSP EasyOptions, you get to choose your coverage from a variety of covered upgrades during your in-network doctor's visit.

HERE'S HOW IT WORKS:

Create an account on **vsp.com**.

Schedule an eye exam with a VSP network doctor.

Choose an upgrade at your doctor's visit.

MEET THE SMITHS.

See how they personalized their coverage.

Dad chose **progressive lenses** to help him see near and far.

Hannah chose **anti-glare lenses** to help reduce glare and eye strain.

Mom chose a **higher frame allowance** to get designer glasses.
