

No-cost essential health benefit

Health Care Reform Preventive Drug List

Under the Affordable Care Act, also known as health care reform, you can get some drugs at no member cost share. But you must have a prescription*. Then they are covered 100 percent by your plan. The list below shows some items that are available. The list even includes some medicine you can get over-the-counter.

Some drugs not listed are eligible for zero dollar copay only with a medical exception.

Health Care Reform Drug List

Key

UPPERCASE	Brand-name medicine

*These items are over the counter (OTC) and covered at a \$0.00 copay.

This is not a complete list of drugs covered under your plan. Check your plan documents for coverage information. Your plan may not cover certain drugs to treat conditions such as infertility, erectile dysfunction, and weight loss. To check coverage and copay information for a specific medicine, log into your member website. If you're still not sure whether your plan benefits include coverage, call the toll-free number on the back of your ID card. Diabetic Supplies may be covered under your medical plan.

Information is believed to be accurate as of the production date; however, it is subject to change.
